1. Who is this product designed for, and what are the likely objectives, financial situation, and needs, of customers in this target market?

The Bankwest Credit Card Insurance product provides insurances (depending on the type of card held) for cardholders of a current and valid Bankwest Platinum Mastercard credit card (excluding Bankwest Platinum Zero Mastercard) or World Mastercard credit card issued by Bankwest. The product includes a range of common covers subject to the travel insurance plan and policy. The travel insurance product is designed for travellers who want the flexibility to choose optional upgrades to vary their cover. The ability to select the travel insurance plan and policy allows customers to choose cover most relevant to their needs and objectives. The ability to select the travel insurance plan and policy allows the cost and protection of the product to accommodate the financial situation of customers within certain limits. Additional criteria relevant to each insurance plan and policy available are set out on the following pages.

This Target Market Determination (TMD) sets out the target market for the Bankwest Credit Card Insurances:

- Overseas Travel Insurance: A. Included - Complimentary Overseas Travel Insurance
- Overseas Travel Insurance: B. Optional - Upgraded Benefits
- Other Insurances

Overseas Travel Insurance: A. Included - Complimentary Overseas Travel Insurance

2. Who is the product designed for?

This product is a group policy between the insurer and Bankwest. The policy provides benefits for emergency overseas medical expenses, accidental death, personal liability and baggage/personal goods to eligible cardholders as beneficiaries of the group policy. The cover is provided as a benefit of their credit card account.

This product with Complimentary Overseas Travel Insurance plan has been designed for individuals who a) have **an overseas trip**, b) need to reduce some unforeseen costs associated with overseas travel and c) want to be covered against financial loss caused by certain unforeseen incidents involving leisure travel where the loss suffered may be material if there is no cover ("customers").

These customers are willing to select appropriate benefits and level of cover relevant to their own circumstances. These customers can bear the excess, or an equivalent reduction in claim payments, in the event of a covered claim. Customers may need to bear the cost of upfront payments for incurred losses before being reimbursed where we don't cover losses upfront. Circumstances where we don't make upfront payments include if we have not agreed that the customer is covered. Limits, exclusions and conditions apply which also affect the amount of any claim payment.

Additional benefits can be obtained by choosing the Optional - Upgraded Benefits plan and policy.

Distribution of the product

3. Who is this product distributed through and are there any conditions of this distribution?

This product is to be distributed by Cover-More, and Bankwest, to Bankwest customers.

Customers can purchase this product via a direct channel (e.g. on a website or the phone).

Bankwest is authorised to distribute travel insurance on behalf of Cover-More. Only distributors authorised by Cover-More are able to distribute this product as they understand the market this product has been designed for, have been trained in the relevant acceptance criteria and have the appropriate levels of authority. These parties must have measures to promote the relevant acceptance criteria such as staff training and eligibility questions where appropriate, provide advice through an authorized website, advertising material or a call centre and accommodate different options and costs. This helps customers to understand the product, assess it and select the appropriate range of covers and options and makes it more likely that the product will meet the customers objectives, financial situation and needs.

Cover-More and its distributors are required to take reasonable steps to ensure that the product is distributed to a customer in such a way that it is likely to meet the customer's objectives, financial situation and needs.

Conditions and restrictions that may impact the distribution of this product include:

- the type of platforms used to sell the product
- compliance with underwriting criteria, and
- regulatory requirements and obligations.
